Chapter 1 by Reagan Ngoc Anh Bui

A lost girl trapped on another planet trying to find the boy she loves. She waited for many moons. As the flowers blossom over day and night she hopes one day that he'll come for her. She'd ask herself how she could reach him everyday. The girl knew that he was a million light years away from her, but she kept waiting. Stars were flying straight across her every night. Sadly they never saw each other again.
